As the years pass
I'm afraid we're going to grow apart
What do we do, we keep going around and around
As the years pass
I'm afraid we're going to grow apart
I'm just staring at you
I'm just trying to read your mind
Us two are neither close nor distant
Standing by the alley longing for you
And my heart is getting drenched
What do we do, we keep going around and around
As the years pass
I'm afraid we're going to grow apart
What do we do, we keep going around and around
As the years pass
I'm afraid we're going to grow apart
What do we do, we keep going around and around
As the years pass
I'm afraid we're going to grow apart
Round & Round, Round & Round
Round & Round, Round & Round
Round & Round, Round & Round
Round & Round, Round & Round
