Jump out your car in the middle of the street
Open up your trunk let the base beat
Go ahead, go ahead,
Ya gotta walk up in the club bare footed
I like that booty you know where to put it
Go ahead, go ahead.

Now mama you look so professional I'm followin' you
sweatin' you
I can't believe I'm doing what I'm doing
What is wrong with my head go ahead
'Cause baby I like how you're working it
And watching you you twirkin' it
I'm trying get you out of this club and get you off in my
bed
Ohh, go ahead, yeah.

[Chorus:]

Now let me see the booty work, booty work,
Booty boo boo booty work,
Booty work, booty work, boo boo booty work,
Go ahead, go ahead,
Now let me see the booty work, booty work,
Booty boo boo booty work.
Left cheek, right cheek, left cheek, right cheek.

Well it must be a crime to be as fine as you aha
You know exactly what I'm tryna tryna do
You see me, I'm tryin to keep it jumpin'
Girl I got a chevy with hydrolics that you remind me of
it
Up and down, up and down, girl you know what's
happen
What's happen? round of alpause keep that booty
clappin
Your mother girls lackin what you're packin'
And you got them embarrassed by what you got from
your parents
I'm tryin to see them shorts, see them shorts spread
apart
And coming up short, up short Kevin hart

Now take off

Come on baby keep on doing what you're doing,
Come on baby keep on doing what you're doing,
Move your feet, cutta rug cutta rug
Put your hands up if you're the badest in the club.

Take off, come on baby keep on doing what you're
doing,
Girl I'm tryin get you next to me
But first you gotta let me see that booty work
Booty work, booty boo boo booty work,
Booty work, booty work, boo boo boo booty work,
Go ahead, go ahead,
Now let me see the booty work, booty work,

Booty work, boo booty work.
Left chick, right chick, left chick, right chick.
