Woaaah
Woaaaaaaaaaaaaah
Woaaaaaaaaah
Woahh

Come and lay down
Relax
Lemme show you what I do
Make you feel good
React
Just as if I were you
Cause I can make you see
The heavans
Using nothing but my hands
If you wanna do me
Lift my booty
Maybe take off my pants yeah

What does a real man do for his lady
Anything that he can
If you do it right
At the end of the night
You can be my number one fan (ooh) tasy
You can be my number one fan (fan) tasy
You gon be my number one fantasy
You gon be my number one fan (fan) tasy
Baby, you can be my number one fantasy

Common
Let's do what we always do
Flip over
Throw it back
I'm a throw it all to you
Baby I can feel your love comming down
So I know I'm doing a good job
I'm a lay down
Relax
Come over here and get on top
I'm a show you what I can do for my baby
Make her feel like she flying
Flip over again and let's do it one more time

Cause

You gon be my number one fantasy (baby)
You gon be my number one fantasy (oooh)
You gon be my number one fantasy
Baby, you gon be my number one fantasy
You gon be my number one fan (fan) tasy
You gon be my number one fantasy
You gon be my number one
