She got me doin da dishes

Anythang she want for some kisses

I'm cookin for her when she gets hungry

All she do is actin like she want me

She cuttin off all my homies

Even all my other ronnies

She ain't even my main lady

See I been thinking 'bout it lately
Man she really don't deserve me
All she wanna do is hurt me
So I gotta get away from her...
But now I'm leaving quickly
Before she come and try to get me...
And I'm takin everythang with me...
Well it all come down to her...

VERSE 3 (PITBULL)

Everything about you girl,
It drives me wild,
From your thighs to your eyes,
And the way you smile.
I think about you,
More that I should,
You classy, sexy,
Yeh with a twist of hood.
I love to put my tounge on you fast,
Like twista would,
From the front to the back,
I wanna make you feel good.
Let me know baby,
What you want and how you want it hey,
You know how boys get down,
When they from PAIN!
Pitbull, T Pain,
Girl this a G thang.
Meanin we don't stop,
Till we find the g spot,
Picture us rollin in the seven tray,
No top, wit a 4-54 block.
Step on the gas,
Like bad coca,
Step on they ass,
If they try to stop what we got,
Come on man.
You like the blood in my veins,
The air in my lungs,
Bottom line, mami,

[Verse 2]

So we went our separate ways...
It's been a couple of days...
But now I'm doin what I want to
With nobody tellin me what I'm gonna do
And I'm feeling so free...
With nobody but me...
Now I can handle all my business
All my fellas can I get a witness
But I'm feelin kinda lonely
On top of that I'm kinda horny
And I gotta get back to her...
Now I'm leavin quickly...
Before she come and try to get me...
And I'm takin everythang with me...
Well it all come down to her...

[Chorus x2]
