I'm sprung, how'd she get me got me doing things i'd never do, if you ain't been i'm telling you (you do, you do, you do, you do, you do, you do)(do x8)

It's something bout you that's got me doing things I said I never do. And I can say i'm amazed, the way you put it on me, how you got me chasing you. And I can careless, I don't give a damn, 'cause see you my ride or die, you a down ass bitch, who don't take no shit, keep it real and still look fly.

Girl you got a body like Lopez, I want you to know dat. Aint got to show it cause ya clothes show ya format. Classic like a throwback, I'll make ya eyes roll back. Like I do my car so they don't know where I done rolled at. A hundred miles too far, tryna get to where u are. Something like an angel, precious diamonds or a shining star. The mood swangin just right, just might stay the night. Have dinner by the candlelight and we can do it all night.

Real talk, imma tell ya off the rip, It aint yo face, and it aint yo hips (yo hips). It's how you roll my weed and lick them lips and when I dip shorty you don't even trip (don't trip). give me a rubberband for my grip, you da flyest bitch steppin' out of my whip (my whip)I'm ya nigga, girl we like this here and what the hook says you got me like that there, i'm sprung.

Can't eat, can't sleep, can't even think right, gotcha nigga up all night like street lights. Every minute, every second of the day I think about you, don't wanna live in this world not without you. Used to be the type to say that love shit I aint wit. Now I'm slow motion wit my motions like da matrix. Got a nigga sprung used to feel like I'd hate this. Thought that I was goin thru a phase and I could shake this.

I'm sprung, dog she got me, got me doing things i'd never do, if you ain't been i'm telling you (2x)

I aint never been a sucker for love
Never even had a girlfriend till I start fuckin wit her
I aint never even knocked her down
And she hooked on ol boy tryna lock me down
Wit one flick of the tongue I was sprung
And we aint get done til 4-5 in da mornin
She had me deep in a zone
U can get a brand nu wardrobe but baby u aint goin
home

I aint the one that's all in touch with these emotions
and shit. But I shoulda let her roll when she wanted to
quit. Yeah my folk lemme in on the shit that you do, but
I'm gon ask you like you gon tell me the truth. I got it
bad like usher I'm off the block wit my dogs, hardly
ever hear from 'em cause you screenin my calls. Yeah
I still bend corners roll thru on the block, but I gotta
hear dat shit every time I stop.

Everything about ya girl, it drives me wild from your
thighs to your eyes to the way you smile... I think about
you more than I should, you classic, sexy, yea with a
twist a hood. I'd love to put this tongue on ya fast like
Twista would. From the front to the back I wanna make
you feel good. Let me know baby what you want and
how you want it hey...You know how them boys get
down with they from DADE!!

I'm sprung, dog she got me, got me doing things i'd
never do, if you ain't been i'm telling you (2x)

P.K?? the deeper I get, the sprunger I got. Had ya boy
walkin round talkin bout tying the knot. From the first
time I saw you had to holla at you. Now you got me
stuck to you like a damn tattoo. Take da rap for ya man
when I duck and I run, put it on me at the crib have me
suckin my thumb. Oh you?n get sprung, homeboy I
really doubt it. So I'mma let Trick tell ya how he feel
about it.

The new jag and all the Louis bags
Chanel and Escotta straight from bell harbour
I told my home boys I holla
I got plans for a date, my girl wants steaks
And she prefer being honest she can go from monday
to sunday
It don?t even matter bout the money
I'm stuck on her never shoulda let her suck on it
Shoulda hit her up and send her home the next
morning

Yeah girl there's something bout you that turns me on.
Think about you all night long till the early morn. Wish I
had you by my side when I close my eyes, so I can rub
on ya back and just massage ya thighs. Keep it comin
no I won't stop until you squeal, there's no limit to the
way Sagacious make you feel. Sometimes I wanna give
but how can I live when I know that I can have you
thinkin positive..i?m sprung

Pitbull, T-Pain...girl it's a G thang, meanin we don't stop
till we find a G-Spot...Picture us rollin' in a 7-tre low top,
with a 4 fifty 4 Block step on the gas, like Bad polka
step on they ass they try to stop what we got... C'mon
man! You're like the blood in my veins, the air in my
lungs, Bottom line Mami I'm Sprung!

She got me doing what I won't do, now your spring and
I told u don't agree wit me
In the end you'll see that she got u doing what u wont
do now you're sprung and I told u
S-P-R-U-N-G now u see she got u, got u, got u, got u,
she got u, got u,
She got u,
Well I'll come down and I'm sprung, how'd she get me
got me doing things i'd never do, if you ain't been i'm
telling you,
I'm sprung, how'd she get me got me doing things i'd
never do, if you ain't been i'm telling you
You doooooo you doooooo
Well I'll come down and im sprung
