Ah come on! Hey, heey!
Hey! uh-uh!

Had a girl that, she wanna be famous
She wanna touch me with all her fingers
Think her freakin and said "Girl, I love ya"
Cause' they're like kissing sisters
And who wanna be their brother?
It was pink Lip gloss and red Lipstick
I'm thinkin (I'm thinkin) I'm dreamin' (I'm dreamin')
Then they got closer and closer and closer and then
I got right up in the middle and I said girl!

I wanna see you kiss your friend
Kiss her like you mean it
You gotta do it right in front of my bed
I wanna see you kiss your friend
Kiss her like you mean it
T-Pain Lyrics Goblogtainment.com
And if you do it you can come to my place
I wanna see you kiss your friend
Kiss her like you mean it
I'm thinkin (I'm thinkin) I'm dreamin' (I'm dreamin')

Kiss her like you mean it
You and, your friend and me
