Haaayy... ah, ah... ay
Haaayy... ah, ah
Turn up the bass, turn up the treble
And I'm not taking to a whole another level (aaahhhhh)
Dj turn up whatcha playing... (playing, playing), I want
the whole club to hear what I'm saying... (saying,
saying)
Because the girl means too much to me, now and you a
flow she touching meeee...
And if I wanna take a homies gotta be better than what
they doing on the radio
There's gotta be the crankist, there's gotta be the
loudest... (loudest), there's gotta be the best... (the
best) love song... she ever heard in our luv...
[Chorus]
I gotta tell her how I feel, I gotta let her feel
The best love song... she ever heard in our luv
No need for me to running (to running)... I just gotta
pick to her smiling
And if you feel that, way go ahead and kiss your baby,
and now we got the whole studio
In luv like (eh eh eh eh)
[Chorus]
There's gotta be the crankist, there's gotta be the
loudest... (loudest), there's gotta be the best... (the
best), love song... she ever heard in our luv...
I gotta tell her how I feel, I gotta let her feel
The best love song... she ever heard in our luv
No need for me to running (to running)... I just gotta
pick to her smiling
And if you feel that way, go ahead and kiss your baby,
and now we got the whole studio
In luv like (eh eh eh eh)
Homie kiss your girl... shawty kiss your man
We can see you on the gates and cam
Now show me some luv (yeah, yeah)... show me some
luv (yeah, yeah)
Now look at her in the eye, say baby I love you, I never
put no one above you
And if you feel that way, go ahead and kiss your baby,
and now we got the whole studio

In luv like (eh eh eh eh, ooh ooh ooooohh, eh eh eh eh,
oooooh oooooooh, eh eh yeah yeah eh eh)...
