[Chorus:]

Runaway love (14x)

[T-Pain:]

Situation

She's single

And the first time

Ooooooooooooo

This is the worst time

Cus' she's only 17

And she got to have a baby

Ooooooooooooo

Here comes the hurt time

Doctor and the nurse time

Should she keep it?

Yes, no, maybe?

She don't know what to do

She don't know what to say

Cus her momma won't listen

Her daddy gets mentioned

Like everyday

She went ahead and did it

But she wish she never had

She gave birth to a 9-pound

6-ounce

Brown-eyed plastic bag

She was a runaway love

Runaway love (8x)

[T-Pain:]

Situation

He was a real heavy smoker

Shit, all his friends was

They had a friendship

That wouldn't break

A bond that wouldn't cut

He was always ready to hit it

Homeboy wouldn't admit it

But he was sprung on that shit

The closer he came the weaker

He got to back it up  
Didn't know what he was doing  
Didn't know who he was hurtin'  
'Til his son and his daughter  
Come smokin'  
By the tree in the backyard  
They went and told they mamma  
She said  
That's something we don't need  
She said it's either  
Your family or that D  
(Alright)

Runaway love (8x)

[T-Pain:]  
Situation  
This wasn't puppy love  
This was a whole 'nother thing  
And they only was together  
Because their parents  
Were the same  
They didn't approve at all  
Didn't care what they said  
All this long while  
They makin plans in their heads  
He said "baby will you marry me?"  
He started pullin' on her skirt  
She said "boy you know I want to"  
My parents  
Don't want me to want you  
How will it work?  
He said "don't worry 'bout it"  
You know I got you baby  
3'o clock that mornin'

"Hello?"  
"Baby-wake up, we gotta go"  
"What are we doing?"  
"C'mon we gotta go  
Pack your bags"  
"Okay, baby"
