"Say It"

Visit "[Say It](#)" on MotoLyrics.com

Pull up to my crib in ya black Range Rover
I got some plans that don't involve my hands
Get out and walk up slowly
Lemme see your new Menolo's
I don't think your ready for what's about to happen
behind closed doors
And girl
I want you to enjoy yourself
Have you feelin so good inside
So jump up on this rollercoaster
Let me take you for a lappy ride

And imma make ya say it (whoa whoa)
Say it (whoa whoa)
Say it (whoa whoa, what are you waiting for)
Say it (whoa whoa)
Say it (whoa whoa)
Say it (whoa whoa, what do you got in store)
Say it (whoa whoa)
Say it (whoa whoa)
Say it (whoa whoa, cut off the lights and close the door)
Say it (whoa whoa, imma make you feel so high)

Girl ya skin tone's so lovely
Got me breakin out in cold sweats
You been here for 15 minuets i don't know which way to
go yet
Girl ya so soft
I wanna break ya off with some of this good (la ooo)
You can tell me what to do
I wont stop until you say so
And girl i want you to enjoy yourself
Feelin so good inside
So jump up on this rollercoaster
Let me take you for a lappy ride

And imma make ya say it (whoa whoa)
Say it (whoa whoa)
Say it (whoa whoa, what are you waiting for)
Say it (whoa whoa)
Say it (whoa whoa)

Say it (whoa whoa, what do you got in store)
Say it (whoa whoa)
Say it (whoa whoa)
Say it (whoa whoa, cut off the lights and close the door)
Say it (whoa whoa, imma make you feel so high)

(whoa whoa) [x11]

(haaa haa)
