(Intro)

Turn me up...

Turn me Down...

Heyy...

(Verse 1)

I'm so used to your face, I don't want no body else

Wish this wasn't the case, but I just can't help myself

When you sound so good, turn you down I wish I could

Make you frown, I never would

You can break me down until I turn off.

You got me spinin' on my head break dancin'

You can tell by the way you got me standin' upside
down

Baby here we go, see it fast hear it slow imma show
you what it's hittin for

I'm your stereo

(Chorus)

Please turn me up

Cause I'm burnin' up, and if I listen good I can learn
enough

And boy I really wanna show you how, I became the
best around

Please don't turn me down

Get it boy uh uh

Show me what I'm reachin for uh uh

Everybody hit the floor uh uh

You got me so stuck

Please turn me up

I'm your stereo

Please turn me up

Cause I'm burnin' up, and if I listen good I can learn
enough

And boy I really wanna show you how, I became the
best around

Please don't turn me down

Get it boy uh uh

Show me what I'm reachin for uh uh

Everybody hit the floor uh uh

You got me so stuck
Please turn me up

I'm your stereo
Please turn me up
Cause I'm burnin' up, and if I listen good I can learn
enough
And boy I really wanna show you how, I became the
best around
Please don't turn me down
Get it boy uh uh
Show me what I'm reachin for uh uh
Everybody hit the floor uh uh
You got me so stuck
Please turn me up
