Gettin' money, whole lot of money
They got their own, ain't want nothin' from me
Niggas wanna see 'em, bitches wanna be 'em
Ay, get your drink up, bad bitches gon' link up
Them bad bitches gon' link up, Them bad bitches
gon' link up
Them bad bitches, them bad bitches, them bad bitches
gon' link up
Them bad bitches gon' link up, Them bad bitches
gon' link up
Them bad bitches, them bad bitches, them bad bitches
gon' link up

[Verse 1: T-Pain]

Puerto rican, blackanese
All my bitches steppin' in Louboutins, spend a couple
racks on them jeans
LIV on sunday, King Of Diamonds monday
They not goin' in no club unless they comin' out with
that money
They spend it, they spend it, they winning, they winning
Got a bad clique, you ain't a bad bitch then you ain't
'bout to be in it
I be drippin' of the murder, bitch you know you want a
picture
Coming out straight, but they turn around when they
see her
(Bad bitches gon' link up)
And we gonna do whatever we think of
Got bitches all in Bugatti's at my crib to come and
pick me up
(Bad bitches gon' link up)
You know how many bad hoes I own?
I got pimpin' in my blood, somebody get on the phone

[Verse 2: Juicy J]

Thumbin' through a check with a bad bitch
She's a hollywood actress, don't worry 'bout what

we doing ho
All you need to know is we cash checks
My other bitch is a supermodel, and her pussy gets
super wet
Me, her and my actor bitch Â'bout to have us some
group sex
Bad bitches gonÂ' link up, patron shots gonÂ' drink up
We ball out all week long, you broke niggas canÂ't
keep up
I make it rain I gotta sweep up, she suck it slow and
then speed up
Poolparty on the rooftop, you need a helicopter to see
us
BallinÂ' out cause IÂ'm rich as fuck, ballinÂ' out cause
she pissy drunk
You ainÂ't imagine that loud pack then hell no you
canÂ't hit the blunt
PullinÂ' up in my foreign car, that spare tire go in the
front
Damn right I got my hood behind me, that purple stuff
all in my punch

[Hook]

[Verse 3: Trey Songz]

Aisha lemme lick up on that cat
Hit it while you kiss on hit, get it from the back
I keep a bad bitch to breed bad bitches back
Pretty in the face with a ass hellaÂ' fat
Bad bitches link up, bad bitches wassup
And if you mad bitches, cause youÂ're average so shut
the fuck up
Get your drink up, pretty blonde thatÂ'sÂ...
(Bad bitches gonÂ' link up)
And IÂ'mma try to fuck them all, then I tell her bring
some more
IÂ'mma let Â'em buy the mall
(Bad bitches gonÂ' link up)
