Turn up the bass, turn up the treble,
I'm about to take you to a whole other level!
Dj turn off what you're playing,
I want the whole club to hear what i'm saying!
Because this girl means too much to me,
And now we're on the floor and she touching me.
And if I wanna take her home
It's gonna be better than what they do on the radio!

[Chorus]

It's gotta be the crunkest
It's gotta be the loudest
It's gotta be the best, the best love song she ever
heard in her life
I gotta tell her how I feel
I gotta let her hear, the best love song she ever heard
in her life
No need for me to write it, I just gotta picture her
smiling,
And if you feel that way, go ahead and kiss your baby
Now we've got the whole stadium in love like that

[Chris Brown]

Turn on the lights, give me a mic
I'm about to sing and do it just as she likes.
Jump off the stage, crowd surf in all the way,
Cowabunga!
You know it's like, just do the wave,
Girl just move your body like a snake
And if you wanna get with me
Put your hands in the air, show me the energy

[Chorus]

It's gotta be the crunkest
It's gotta be the loudest
It's gotta be the best, the best love song she ever
heard in her life
I gotta tell her how I feel
I gotta let her hear, the best love song she ever heard
in her life
No need for me to write it, I just gotta picture her

smiling,
And if you feel that way, go ahead and kiss your baby
Now we've got the whole stadium in love like that

[Chris Brown & T Pain]
Homie kiss your girl
Shorty kiss your man
We can see you on the kissin cam
Now show me some love
Show me some love
Now look her in the eye, say baby I love you
I never put no one above you
And if you feel that way
Go ahead and kiss your baby
And now we've got the whole stadium in love like that
And if you feel that way
Go ahead and kiss your baby
And now we've got the whole stadium in love like that
Eh, eh, eh, eh
Oh, oh, oh
