[Wiz Khalifa:]

Yeah ah ha

You know what it is

Black and yellow, black and yellow

Black and yellow, black and yellow

[T-Pain:]

Uh huh, you know what it is

Every whip I do it in, the rims super big

If you want somethin' see the whip transform, 1 button

Seat leaned back, got the yellow inside

On that black camaro, black camaro, black camaro,

black camero

My beat hangin' out, got carmelo on the side

And they black and yellow black and yellow

C-catch me in my Lamborghini (black and yellow black and yellow)

I can rock it on the beat (acapella, acapella)

Sideways on the turnin' lane

Fire flame I be burnin mane

Teddy pain bout to hurt the game

Took a break for a while, I been learning thangs

I learned how to tell a nigga "fuck you then"

(Black and yellow black and yellow)

All I do is fuckin win

I told ya and now I'm on

You thought it was over, you thought I was gone

I'm goin' in you don't have to let me have to let me

Back from the dead like I'm Makavelli Makavelli

[T-Pain:]

Uh huh, you know what it is

Every whip I do it in, the rims super big

If you want somethin' see the whip transform, 1 button

Seat leaned back, got the yellow inside

On that black camaro, black camaro, black camaro,

black camero

My beat hangin' out, got carmelo on the side

And they black and yellow black and yellow

[Wiz Khalifa:]

Got a call from my jeweler this just in
Bitches love me cause I'm fucking with there best
friends
Not a lesbian but she a freak though
Come stay for one night I'm shining all week hoe
I'm sippin [?] and rocking yellow diamonds
So many rocks in my watch I can't tell what the time is
Got a pocket full of big faces
Throw it up cause every nigga that I'm with tailored

[T-Pain:]

Uh huh, you know what it is
Every whip I do it in, the rims super big
If you want somethin' see the whip transform, 1 button
Seat leaned back, got the yellow inside
On that black camaro, black camaro, black camaro,
black camero
My beat hangin' out, got carmelo on the side
And they black and yellow black and yellow

[Wiz Khalifa:]

Stay high like how I'm supposed to do
That crowd underneath them clouds can't get close to
you
And my car look unapproachable
Super clean but it's super mean
She wanna fuck with them cats
Smoke weed count stacks
Get fly, take trips and that's that
Real rap, I let her get high if she want she feel
Convertible drop feel, '87 the top peeled back

Uh huh, you know what it is
Yea, uh huh, you know what it is
Ya'll already know what it is mane
And if you don't you should by now
Black and yellow black and yellow
Black and yellow black and yellow
Taylor gang
Black and yellow black and yellow
Black and yellow black and yellow

Uh huh you know what it is
Err thing I do I dot it biiig
Screamin' that's nothin'
When I pull out the lot that's stuntin'
I rep my town
When you see me you know evrything
Black and yellow black and yellow
Black and yellow black and yellow

Black and yellow black and yellow
Black and yellow black and yellow
I put it down from the whips to my diamonds I'm in,
Black and yellow black and yellow
Black and yellow black and yellow
Black and yellow black and yellow
Black and yellow black and yellow
