Ooo, it's dark in here, it's hot in here, girl what are you doin' to me?

Baby stop, not in here, I got a Presidential Suite

Baby why don't we just get outta here

Where we can have the freedom to be

Secret lovers under covers, have no fear 'cuz

I'm about to blow ya mind, blow ya mind, blow ya mind

Girl I'm not here to waste ya time, waste ya time, waste ya time

Girl I'm about to blow ya mind, blow ya mind, blow ya mind

Girl I'm not here to waste ya time, waste ya time, waste ya time

Girl I'm about to blow ya mind

Baby now we're here what you wanna do?

I'll let you think about it for a minute

Don't worry 'bout me, I'm here to satisfy you

Ain't gotta worry about me gettin' it in

And ya mind ya body

And ya soul comes first to me

It's time to make the temperature rise

But we had to get away don't want nobody to see, why?

'Cuz I'm about to blow ya mind, blow ya mind, blow ya mind

Girl I'm not here to waste ya time, waste ya time, waste ya time

Girl I'm about to blow ya mind, blow ya mind, blow ya mind

Girl I'm not here to waste ya time, waste ya time, waste ya time

Girl I'm about to blow ya mind

Baby was it good, satisfactory, I got time so we can do it again

Was it good for you like it was for me?

One is not enough let's get the second one in

Baby I know you been, you been dyin' to see if I can do your body right

If your baby could fulfill that one fantasy one more time

Girl I'm about to blow ya mind, blow ya mind, blow ya
mind

Girl I'm not here to waste ya time, waste ya time, waste
ya time

Girl I'm about to blow ya mind, blow ya mind, blow ya
mind

Girl I'm not here to waste ya time, waste ya time, waste
ya time

Girl I'm about to blow ya mind, blow ya mind, blow ya
mind

Girl I'm not here to waste ya time, waste ya time, waste
ya time

Girl I'm about to blow ya mind, blow ya mind, blow ya
mind

Girl I'm not here to waste ya time, waste ya time, waste
ya time

Girl I'm about to blow ya mind
