Ohh. Gotta be cool baby, ya know what I'm saying?

Jump out your car in the middle of the street.  
Open up your trunk, let the bass beat.  
Go ahead (Go ahead) Go ahead (Go ahead)  
You gotta walk up in the club bare-footed.  
I like that booty, you know where to put it.  
Go ahead (Go ahead) Go ahead (Go ahead)

Now mama you look so professional.  
I'm followin you, sweatin you.  
I can't believe I'm doing what I'm doing,  
What is wrong with my head (my head)?  
Go ahead (Go ahead)  
Cuz baby I like how you working it,  
I'm watching you, you twerkin it.  
I'm trying to get you out of this club  
And get you up in my bed.  
Uh huh (Go ahead)

Now let me see that booty work, booty work  
Booty, boo-boo-booty work  
Booty work, booty work  
Booty, boo-boo-booty work  
Go ahead, go ahead  
Now let me see that booty work, booty work  
Booty, boo-boo-booty work  
Left cheek, right cheek, left cheek, right cheek  
Show off, show off, show off, show off.. Show off, show  
off, show off.

Black car, black rims, black shirt, black Tims  
There go, come on baby keep on what you're doing  
There go, come on baby keep on doing what you're  
doing

Holy moly, look at her, she got the boots with the fur  
There go, come on baby keep on doing what you're  
doing  
There go, come on baby keep on doing what you're  
doing  
Now mama i can see that thong on you, the dj play this

song for you

I'm tryin to drive my stick shift, all over hers, say word  
If you keep playin with my fitted, we gon get it, get it,  
get it

Girl i represent the nappy boy clique, so i know that you  
heard

Say word

Now let me see that booty work, booty work

Booty, boo-boo-booty work

Booty work, booty work

Booty, boo-boo-booty work

Go ahead, go ahead

Now let me see that booty work, booty work

Booty, boo-boo-booty work

Left cheek, right cheek, left cheek, right cheek

Show off, show off, show off, show off.. Show off, show  
off, show off.

Girl it must be a crime to be as fine as you,

Uh huh, you know exactly what i'm tryin to do

You see me, I'm tryin to keep it jumpin

Girl i got a chevy with hydraulics and you remindin me  
of it.

Up and down, up and down, girl you know what's  
happenin

Round of applause, keep that booty clappin.

Them other girls lackin what you packin'

And you got them embarrassed by what you got from  
your parents

I'm tryin to see them shorts, spread apart

I aint coming up short, Kevin Hart.

Come on baby keep on doing what you're doing,

Come on baby keep on doing what you're doing,

Move your feet, cut a rug, put your hands up

If you the baddest in the club.

Come on baby keep on doing what you're doing,

Girl i'm tryin get you next to me

But first you gotta let me see that that booty work,  
booty work

Booty, boo-boo-booty work

Booty work, booty work

Booty, boo-boo-booty work

Go ahead, go ahead

Now let me see that booty work, booty work

Booty, boo-boo-booty work

Left cheek, right cheek, left cheek, right cheek

Show off, show off, show off, show off.. Show off, show

off, show off.
