although i said i'll never ever drink again, again
and now i feel like i never had before
i get out on the floor
and show them what is wrong!

chorus:
patron, can i get that grammy?
can i get that hoe?
can i get that headache
get that margarita on the run, run?
can i get sucked all around thatâ€¦
patron, can i get that grammy?
can i get that hoe?
can i get that headache
get that margarita on the run, run?
can i get sucked all around thatâ€¦

can i get that when i wanna bring the club toâ€¦
sonny, wanna break me up like a kit kat
get a couple bottles and a couple models and i wanna
sip that?
patron, put it in the zone
can i get that?
hit it when i'm already in it
can i get that margarita?
when i'm chilling with the mamacita
momma, see you later on tonight
i know, i should stay in my bed
i'm in a club instead, party, rocking with my baby!
so now i'll never say never
she'll leave meâ€¦
that's why i gotta keep her on a dancefloor
and tell her i feel so much better
although i said i'll never ever drink again, again
and now i feel like i never had before
i get out on the floor
and show them what is wrong!

chorus:
patron, can i get that grammy?
can i get that hoe?

can i get that headache
get that margarita on the run, run?
can i get sucked all around that
patron, can i get that grammy?
can i get that hoe?
can i get that headache
get that margarita on the run, run?
can i get sucked all around that

when my alcohol excites, when my alcohol excites
when my alcohol excites, when my alcohol excites
when my alcohol excites, when my alcohol excites
