[Diddy]

I'll do anything for you,
For you I'll change the world.
No more wars, No more poverty, No more hurt, No
more pain,
You've shown me how to love you again.
For you I change the world.
Pain, sing...

[Chorus: T-Pain]

If I could chaaange the world.
Ooh... I would be the sunlight in your universe.
Ooh. You will think my love was really something good
baby.
If I could chaaange
If I could chaaange
If I could chaaange the world, the world, the world, the
world.

[T-Pain]

Ooh, there would be no more wars
Opportunity knockin' on doors for us, for us.
Nobody ain't known each other.
Fighters turn into lovers for us, for us.
Oooh, and when the moonlight turns to sunshine
Everybody waking up to a better dream. Uhuh Uhuh
Cause everybody need what they want
But don't want what they need
Lets talk about yooouuuu.
Now think changing the world.

[Chorus: T-Pain]

If I could chaaange the world.
Ooh... I would be the sunlight in your universe.
Ooh. You will think my love was really something good
baby.
If I could chaaange
If I could chaaange

If I could chaaange the world, the world, the world, the world.

[Akon]

If I could change the world I'd order
For the line to be erased outta the border this day (this day)
(Everyone deserves an opportunity)
There'd be no new world order
And nobody would've never got slaughtered that way (that way).
That means so much more love and unity.
Daughters will be close to they mothers
Sons will be raised by their fathers today (today).
A good family ain't nothing greater.
Race crimes, Hate crimes will never exist.
I'll turn every bullet to a Hershey's kiss (kiss)
And we can eat away our fears (fears).
Ooh.

[Chorus: T-Pain]

If I could chaaange the world.
Ooh... I would be the sunlight in your universe.
Ooh. You will think my love was really something good baby.
If I could chaaange
If I could chaaange
If I could chaaange the world, the world, the world, the world.

[Mary J. Blige]

There would be no self hate.
We will all have love everything all by ourselves
Yeahh so we can love everyone else.
Nothing would hold us down
Because we'll all walk around with a smile and never frown.
And that will remove the cloud.
There'll be no more self-loathing
Everyone will know in their hearts that they're just fine.
And that's when the light's gonna shine.
Everyone will understand
That in order to have some peace you must believe,
Believe the best in you
(If I could change)

[Chorus: T-Pain]

If I could chaaange the world.
Ooh... I would be the sunlight in your universe.
Ooh. You will think my love was really something good
baby.
If I could chaaange
If I could chaaange
If I could chaaange the world, the world, the world, the
world.
