Yeah!  
Yea yeah!

Nuh-nuh nuh Shawty  
Nuh-nuh nuh Shawty

Don't chop me, Shawty don't screw me  
Shawty don't chop me, Shawty don't screw me  
Shawty don't chop me, Shawty don't screw me  
Yeah, yea yeah

Have you ever seen  
A dime piece all alone at the bar, bar bar?  
Straight out of a magazine  
And you just want to let her know who you are, are are

So you say, let me buy you a drink  
Or a little conversation  
If that's what you want to do, do do  
Then she said, love is about to end  
Then you said, why don't you come to my crib?  
Then she said, I can't leave my friends

Now you've officially been chopped and screwed  
Screwed-screwed, chopped-chopped and screwed  
You've officially been dance-dance screwed  
And ewed-ewed, chopped screwed-screwed  
You've officially been chopped and screwed

And-and screw, chop, screw-screwed  
You've officially been screwed  
Screwed, screw-screw  
Chop-chop and screwed  
You've officially been danced and screwed

Shawty don't chop me, Shawty don't screw me, yeah  
Shawty don't chop me, Shawty screw screw, chopped  
and screwed  
Shawty don't chop, Shawty Shawty don't screw me, hey

Shawty don't chop me, don't-don't screw me, yeah

Have you ever been in the VIP room  
Of your favorite street club, club club  
And you got a shawty on you  
Kissing on your neck  
Making you feel like she so in love, love love

Now you done grabbed you a couple a drinks  
And you feeling like it's about that time to cuddle up,  
up up  
And you said, shawty what's really up  
And she takes big sip out yo cup  
And she said, it'll be 60 bucks

Now you've officially been chopped and screwed,  
screwed-screwed  
Chopped-chopped and screwed  
You've officially been dance-dance screwed  
And ewed-ewed chopped, screwed-screwed  
(Luda-Luda, ha ha ha)  
You've officially been chopped and screwed

Like all you ever really want to do is just doubt me?  
Ludacris can't-can't live with out 'em  
But even more I bet you really can't live with out me,  
nope

You-you must of flipped yo wig, yup  
You got to be out yo mind, yeah  
I chop ch-chop you screw-you screw  
You out-of-yo, out-of-yo spine, woo

Back breaker, put you over my knee  
Put you on punishment woman, and I'll spank ya, baa  
Have you praising the lord  
Like thank you, thank you, thank you  
Lord I want to thank you, Jesus

But have you ever met a women that will lead you on  
And still you wrong instead of please ya? Yup  
Have you singing this song  
Cause all night long she did nothing but  
Flirt and tease ya, yup

But I got to admit that I have  
Put one in the air sit back and I laugh, ey  
Shawty why do you insist on doing me that bad? Ey  
Probably it's cause the amount of booty that I grabbed,  
ey

Coming back to haunt me  
So instead of being put in submission to subdue, what  
happened?  
Guess what dawg, ha ha ha, Lu-Lu-Luda

Now you've officially been chopped and screwed  
Screwed-screwed, chopped-chopped and screwed  
You've officially been dance-dance screwed  
And ewed-ewed, chopped screwed-screwed  
You've officially been chopped and screwed

And-and screw, chop, screw-screwed  
You've officially been screwed  
Screwed, screw-screw  
Chop-chop and screwed  
You've officially been danced and screwed

Shawty don't chop me, Shawty don't screw me, yeah  
Sha-Shawty don't chop me, Shawty screw-screw,
