[T-Pain]

I got the hat, I got the shoes, I got the outfit
I go outside and pick the ride I'm gon' go out with
But right before I hit the streets
I gotta put on my dancing shoes in the mirror

[T-Pain]

And I, rock with it, rock with it
And I, step with it, step with it
And I, slide with it, slide with it
And I, ride with it, ride with it
And I, walk with it, walk with it
And I, get low
, and I know where I'm 'bout to go

[Chorus: T-Pain]

I'll be on the dance floor
Don't be trickn with me
Shawty was in the corner, now she's looking for me
I'll be on the dance floor
That's what I do
In a minute I'll be in it and I'm tricking with you

I'll be on the dance floor
Don't be trickn with me
Shawty was in the corner, now she's looking for me
I'll be on the dance floor
That's what I do
In a minute I'll be in it and I'm tricking with you
On the dance floor

[T-Pain]

I hit the club and I'm ready for a dance off (a dance off)
Me and Dizm 'bout to blow a nigga pants off (his pants off)
So if he wanna ride with me
I'm 'bout to do the same thing that I did in the mirror

[T-Pain]

And I , rock with it, rock with it
And I, step with it, step with it

And I, slide with it, slide with it
And I, ride with it, ride with it
And I, walk with it, walk with it
And I, get low
, and I know where I'm 'bout to go

[Chorus: T-Pain]

I'll be on the dance floor
Don't be tricky with me
Shawty was in the corner, now she's looking for me

I'll be on the dance floor
That's what I do

In a minute I'll be in it and I'm tricking with you

I'll be on the dance floor
Don't be trickn with me
Shawty was in the corner, now she's looking for me
I'll be on the dance floor
That's what I do
In a minute I'll be in it and I'm tricking with you
On the dance floor

[Tay Dizm]

Ey this is Yo' boy Tay Dizm
You know what I'm saying
That kunamattata you know
Ey, I'm doing this here for the south
You know what I'm saying
My nigga Pain

And I told y'all niggas before he dropped this
'Cause anything we touch we know it would be the shit
Like an old school body that's good all out
From the grill to the paint to the dog in the back to the
jump off
And if he's not gonna set it off, hit the club, get you
thinking it's a mardi gra
And who's step up to my crew, then this is what my
crew gon' do my nigga

[T-Pain]

And I, rock with it, rock with it
And I, step with it, step with it
And I, slide with it, slide with it
AND I, ride with it, ride with it
And I, walk with it, walk with it
And I, get low
, and I know where I'm 'bout to go

[Chorus: T-Pain]
I'll be on the dance floor
Don't be trickn with me
Shawty was in the corner, now she's looking for me
I'll be on the dance floor
That's what I do
In a minute I'll be in it and I'm tricking with you

I'll be on the dance floor
Don't be trickn with me
Shawty was in the corner, now she's looking for me
I'll be on the dance floor
That's what I do
In a minute I'll be in it and I'm tricking with you
On the dance floor
