Greetings everybody  
Don't stop now

{Don't stop now}

Hey, yeah  
I don't really wanna do nothing today  
Just wanna do you tonight (you tonight)  
And the only way that I'll be satisfied is if I do you right  
(do you right)  
I want you to feel it coming  
Stronger longer  
If f\*\*king you ain't a right thing to do, then I can't get  
no wronger

I'm pulling hair slapping derriÃres  
All you gotta do is say {Don't stop now}  
And I won't I promise this  
I'm gone be the dominant one  
I got you bitch squeeze that pillow bite that shit  
Uhh it feel good don't it tell me that you want it  
Shawty call me daddy {Don't stop now}

Don't stop it stop it don't stop it  
Stop it don't stop it stop it don't stop it  
Stop it don't stop it stop it don't stop it  
Stop it don't stop it stop it don't  
Don't stop now

Girl I don't really know what else I can say  
But baby girl you look tight (you look tight)  
And I'm sitting right here looking in your eyes and  
they're telling me everything you might like (you might  
like)  
I want you to feel it coming  
From a bigga nigga  
I'm not what you're used to f\*\*king with (oh no)  
I'm a little bit thicker

I'm pulling hair slapping derriÃres  
All you gotta do is say (Don't stop now)  
And I won't I promise this

I'm gone be the dominant one  
I got you bitch squeeze that pillow bite that shit  
Uhh it feel good don't it tell me that you want it  
Shawty call me daddy {Don't stop now}

Don't stop it stop it don't stop it  
Stop it don't stop it stop it don't stop it  
Stop it don't stop it stop it don't stop it  
Stop it don't stop it stop it don't  
Don't stop now
