Now no-no-now nigga just, just sit down for a minute  
man  
Cause I gotta get somethin off my chest.  
You understand me?  
I'm on the high wire at every night.  
You understand me?  
Balancing on that bitch is a motherf\*\*ker.  
You understand me?  
So you know, I'm balancin on that motherf\*\*ker  
And he gon give me you know, twos and fews, twos  
and fews.  
Eerryy time twos and fews  
But them motherf\*\*kin midgets is gettin paid man, I'm  
tellin you.  
That little bitty motherf\*\*ker  
You understand me?  
But this little ring leader cat  
You know, im sayin every time i sit him down im talkin  
to him  
I'm sayin hey mayne look here, look here, can I get a  
raise?  
You know what I'm sayin?  
Hows a motherf\*\*ker half my motherf\*\*kin size gettin  
paid more than me?  
You understand me?  
I'm gettin half of the money and i'm taller than the  
motherf\*\*ker.  
Shit is crazy mayne.  
You kno what im sayin?  
The lion came out the motherf\*\*kin cage? Aiight?  
White people sittin on the front row  
Like they do.  
You understand me?  
One of em wanna throw some popcorn at the lion.  
I knew the motherf\*\*kers hungry  
Cuz they didnt feed the motherf\*\*ker at the last show  
You understand me?  
We stopped in kansas city, missouri and the  
motherf\*\*ker didn't even feed the lion.  
What happened?  
Three ate up lil white childern.  
Jeesus

Who he blame it on?  
ME!

You understand me?  
That's some bullshit!  
I don't feed the animals and the high wire
