oh, oh, oh,

oh no, don't you quit  
let them, let them see what you working with x 3

you fly, you be on your burking shit  
you make me wanna hurt you when you twerk that shit  
girl, make me wanna post up pics  
facebook, let me poke you  
put that booty on instagram  
20 more pics going instaham  
i got money, you got friends  
you think you bad, match me then  
hopping out bugatti, tell them! come and catch me  
then  
catch me then  
you be working all day  
you deserve a place to get ratched in  
you ratched  
i'm the shit, somebody bring me the laxative  
me and my dogs go hard  
and you just tough acting tonight, tonight  
that's that shit, keep doing that  
wanna put my hands on it, pat, pat, pat  
get it popping, crack a leg  
money on you, on you, what?  
racks on racks

oh no, don't you quit  
let them, let them see what you working with  
girl swear to god i'ma hurt that shit  
do a good job baby work that, that say  
oh no, don't you quit  
let them, let them see what you working with  
girl swear to god i'ma hurt that shit  
do a good job baby work that, that come on  
money in the air, money everywhere  
go and pop that, pop that power like  
i don't wanna waste your time,  
don't be wasting mine, right now  
baby it's about to go, go, go, go, go, go down  
ehe, he he

money in the air, money in the air  
go and pop that, pop that power like  
i donâ€™t wanna waste your time,  
donâ€™t be wasting mine, right now  
baby itâ€™s about to go, go, go, go, go, go down  
ehe, he he

you make me wanna take a video, video  
you ready for teddy pain, here we go, here we go  
lay down, lay down, stay down, stay down,  
ok now, pop the show  
grab them pillows, bite them covers  
me and my homies like pipes, mario brothers  
follow me, i got a mamacita drinking marguerites  
at my louis vuitton,  
we go to popping, go to mollies, and in 3 nights  
we gonn run 2 bout 10  
so bring 6 of them â€¦that you hang with  
iâ€™ma bring 2 of my friends  
girl that ass so fat, from the back look like you got on  
â€¦  
thatâ€™s that shit, keep doing that  
wanna put my hands on it, pat, pat, pat  
get it popping, crack a leg  
money on you, on you, what?  
racks on racks

oh no, donâ€™t you quit  
let them, let them see what you working with  
girl swear to god iâ€™ma hurt that shit  
do a good job baby work that, that say  
oh no, donâ€™t you quit  
let them, let them see what you working with  
girl swear to god iâ€™ma hurt that shit  
do a good job baby work that, that come on  
money in the air, money everywhere  
go and pop that, pop that power like  
i donâ€™t wanna waste your time,  
donâ€™t be wasting mine, right now  
baby itâ€™s about to go, go, go, go, go, go down  
ehe, he he  
money in the air, money in the air  
go and pop that, pop that power like  
i donâ€™t wanna waste your time,  
donâ€™t be wasting mine, right now  
baby itâ€™s about to go, go, go, go, go, go down  
ehe, he he.
