Let me get my theme music! (X2)

Aye' Let me get my theme music! (X2)

(T-Pain)

Baby, just forget everything that you know

Let's take it all the way back to hello

They say you're living like you died before

I got a place that only I can go

Uuuh let me take you to flight school

We'll learn to fly

Uuuh let me take you to flight school

The northern lights

Hey

You've never been so high kiss the ground goodbye

and you say damn baby how did you get that fly

Flight School

(Kanye West)

I got my superman power, my superman cape

These the last hours but superman late

Cock is ticking, damn, can you wait

Man will he come back and save the day

Fly across the earth put things in reverse

I wish this life was a movie I could just rehearse

certain things I can't doctor and you say I'm the worst

I ain't have enough patience but I needed a nurse

That'll come by my bed late, see if my head ache

Then get my head straight then give me head great

Every time I popped up like the VCR

I took your breath away then we performed CPR

With all the cars the clothes, the lights, the boats

I guess I was just trying to sow my raw oats

in the penthouse position with penthouse b!tches

See I pimped my crib so I must exhibit

Shit these last years been a haze like Isaac

So I close my eyes tighter than asian eyes

get realize I got the same wings angels fly with

Louis Vuitton feathers now that's some fly sh!t

(T-Pain)
