man, my shit be going off, going off  
man, my shit be going off, going off super early in the  
morning  
i never felt so mother fucking and hoping  
man, my shit be going off, going off  
everybody wanna see me  
they call me, and they text me, and they tweet me  
and my shit be going off, going off  
what it do, what it do, what it do?  
where you're at, where you're at, where you're at?  
i'm coming through, man my shit be going off!  
i tell them not to bother me, don't bother me  
yeah, instead they're calling me, and calling me  
my shit be going off!

7:45 on a week day  
i can rent a g5 with a week space  
hey, hey, hey  
i'll be dizzy, i'll be stressing,  
leave a message with my brothers  
benjamin of aâ€¦  
if i ain't got your number locked in  
you can be expecting to texting, that says who it is?  
and we're about to make this party rock shit  
put your name in the e-mail and this bitch tell them do  
this!  
can my shit be going on for living?  
texting me 911 i ain't noâ€¦ bitch!  
shout the bitch in my context, sheâ€¦  
if i don't feel like talking she get a cough like i'm sick  
you sleep boy, you're tired  
you need something to eat, boy?  
you know how much thisâ€¦. plan cost?  
i guess it cost to be the boss

that's when my shit be going off, going off  
super early in the morning  
i never felt so mother fucking important  
and my shit be going off, going off  
everybody wanna see me  
they call me, and they text me, and they tweet me

and my shit be going off, going off
