[Chris Brown]You see what I'm sitting on
The strip we sitting on
These right in front of the club
Shawty what you sippin' on
You see me gettin' grown
So baby just show me some love

[T-Pain]Yeah I want a girl like you
I can tell that youre looking for a dude like me
When you smell what I'm cookin'
Let me know if you wanna ride

[Chris Brown]Cause I aint got nobody on my passenger
side

Baby I'm just hitting on ya
I wanna get to know ya
I dont wanna waste your time
And I'mma keep it real with ya
I wanna deal with ya
Even if its for one night

[T-Pain]Baby I want a girl like you
I can tell that youre looking for a dude like me
When you smell what I'm cookin'

[Chris Brown]I came to have some fun
I'll be on the dancefloor whenever you done

[T-Pain]Shawty you the one

[Chorus]I got to get ya
Got to get with ya
I can do this [for a month or two girl]
I got the plan
The beach with the sand
And you got the man [right in front of you girl]
And you movin' to the left, movin' to the right
You make me say wooh-oh [4x]

[Tpain]Now Shake ya body

Shake it[6x]
Shake ya body
Shake it [5x]
STOP!
Uh Oh
Keep goin!
Shake ya body
Shake it[6x]

Shake ya body
Shake it [6x]

[T-Pain]Shawty what it is 'bout
That we can hit the door
Right into the Masserati
I know you are superfine
You got dem superthighs
I'mma need a SUV

[Chris Brown]Girl I got my city on lock
If you're messin' with me
You gon' end up at top
And it wont stop
Baby tell me what you wanna see

[T-Pain]Cause you aint never met a dude as freaky as
me
Girl I see dem hatin' on ya
Just keep on skatin' on 'em
Now and later gaters on your feet
I got what you waiting for
Girl I'mma take you home and let you go crazy on me

[Chris Brown]Girl I got my city on lock
If you're messin' with me
You gon' end up on top

[T-Pain]I came to have some fun
I'll be outside in the car when you done

[Chris Brown]Shorty you the one

[Chorus]I got to get ya
Got to get with ya
I can do this [for a month or two girl]
I got the plan
The beach with the sand
And you got the man [right in front of you girl]
And you movin' to the left, movin' to the right
You make me say wooh-oh wooh-oh wooh-oh wooh-
oh

[Chris Brown]Now Shake ya body
Shake it,[x6]
Shake ya body
Shake it [x4]
