Same old city  
Just a different day  
26 a second .. this way  
I've been to my daddy's house  
It was full of dudes  
Clap your hands nigger  
You know what we do

Hustle, hustle, hustle, hard  
Hustle, hustle, hustle, hard  
Hustle, hustle, hustle, hard

..we are the best so how could you stop it â€¦  
Solo so let me caught a mother f-cker ..  
I cut the lights off low low  
Nigger what you want I got it  
..that's the reason I am hungry  
Leave with 5 or 6 Ferrari  
.. I'll be off and I got it  
.. got a strip club in my house ..  
Switch under the â€¦  
Nigger don't stop the party  
.. is my hobby  
If you think they can't hear me turn my microphoneâ€¦  
Cause the same old city  
Just a different day  
26 a second .. this way  
I've been to my daddy's house  
It was full of dudes  
Clap your hands nigger  
You know what we do

Hustle, hustle, hustle, hard  
Hustle, hustle, hustle, hard  
Hustle, hustle, hustle, hard
