Chorus

Go ahead and go out with your friends  
Keep spending my ins  
All I'm gonna do is win  
Yeah  
It's alright, it's okay  
Since she was probably going to sneak and do it  
anyway  
I don't give a fuck  
ooo go ahead  
I don't give a fuck  
just leave me in the back  
I don't give a fuck  
you really do love your friends more than me  
one day I'm gonna let you see  
that I don't give a fuck  
ooo no no yeah

3 in the morning, you ain't home yet
