T-pain

I'm not in the mood boy let me tell u somethin

ok nah nah nah nah

I'm fresh out of a scuffle, I'm already, fired up

It's probably the worst time for me to go out to da club

But i dont give a Fuck, see a pussy nigga make em give it up

Punch him in his stomach make him throw all of his liquor up

I'm pissed enough to do it, I'm finna do it on a nigga

I'm thinkin to myself how close can you get to a nigga

But i'm already beside him, take a step behind him

I blind sight his ass, sit back and laugh and cause

Motha fucka I'm Mad

(Chorus)

I'm about to kick somebody' ass

I done had a bad day i need somethin to make me laugh

Cause I'm mad, If you missed the club nigga you best to be glad

That would have been you ass, Motha Fucka I'm mad

DJ play me somethin i can fight to

I ain't not no beef with you homie but i would like to

Bitch nigga tonight you go down fo da count

Now I'm glad i had the day dat i had cause Motha fucka
