(Verse 1 Khrys Lawson)

When I met her, her smile would light up my eyes  
When I couldn't picture us she would me visualize  
She realized my part knew I wasn't into trickin  
Discovered my past knew I wasn't into kissin  
I did my steady love she would just provide by my side  
She just showed me how a real woman whines  
From the moment that I seen her I knew that she had  
me  
Gold fronts in her mouth she wanna stunt like her  
daddy  
My lil BG, perfection in everyway  
Beautiful in clothes breathless in lingerie  
When I would drink she would drink too  
And when I would leave she would text me Baby I miss  
you  
The only thing in life I'd never thought I'd find  
Shes always on my mind she motivates me to grind  
Babe, you're like my favorite season  
thats why I'm missing you like an incompletion

(Chorus T-pain)

Baby I'll be back whenever you need me  
You gone be so happy when you see me  
Cuz I'm a hustler  
But I'm ready to snuggle up witcha  
Tell me where you at, I'll come get ya girl  
I know you at home all alone  
Texting my phone like ooh  
I'm missing you  
I'm missing you  
oh  
I'm missing you  
ooh  
I'm missing you  
I'm missing youu

When I discovered that she loved me  
I knew she couldn't leave  
When she waitied for me  
I knew it had to be  
Something special that only my heart could see

Attitude and temper she is just like me  
Bonnie and Clyde how we ride  
My Yamaha mama  
Through the ups and downs and the good times and  
drama  
In the bed we lay up and snuggle all night  
And I always been wrong but this feels so right  
She dont believe in love  
I dont believe in trust  
But no matter what we still gon' believe in us  
You're the angel to my hell  
The scent to my smell  
You deliver happiness that I receive like the mail  
Anything I need baby girl will go get it

Anything I want lil mama always with it  
And when I'm gone and she all alone at home  
She call me and I kiss her thru the phone

(Chorus T-Pain)

Baby I'll be back whenever you need me  
You gone be so happy when you see me  
Cuz I'm a hustler  
But I'm ready to snuggle up witcha  
Tell me where you at, I'll come get ya girl  
I know you at home all alone  
Texting my phone like ooh  
I'm missing you  
I'm missing you  
oh  
I'm missing you  
ooh  
I'm missing you  
I'm missing youu

(Hook Khrys Lawson)

Everday she's on my mind  
I think about her all the time  
And while I'm on my grind I'm thinkin of her  
thinkin of her  
And while I'm the block  
I'm missing you  
And while I push the drop  
I'm missing you  
And while I'm on the streets  
I'm missing you  
Girl you know I'll never leave  
I'm missing you

(Chorus T-Pain)

Baby I'll be back whenever you need me

You gone be so happy when you see me  
Cuz I'm a huslta  
But I'm ready to snuggle up witcha  
Tell me where you at and I'll come get ya girl  
I know you at home all alone  
Texting my phone like ooh  
I'm missing you  
I'm missing you  
oh  
I'm missing you  
ooh  
I'm missing you  
I'm missing youu
