Won't you meet me at the bar?

Respect big pimpin

And when you lick your lips I get a tingly sensation

Now we're both by tipsy, you say you're in the mood.

All I need is bout an hour, better yet make it two.

Let me take you where I live, Ferrari switch gears.

When I whisper in your ear, your legs hit the chandelier.

Passing through the six all in the atmosphere

Imma let t pain sing it, so he can make it clear.
