[T-Pain]

Yeah, Yeah

[Intro: T.I.]

Ay, it's for all my cats man

Have you ever been in a club and have a chick run up on you,

and kinda tell you to buy her a drink, home?

I mean, it ain't what I can do, it what I will do,

and attitude is everythang, you know what Iâ€™m sayinâ€™

I mean, a chick who ask for nothing will get everything

A chick who ask for everything will get nothing

Pain, why don't you talk to these motherf\*\*king broke bitches for a minute, would you

[T-Pain]

You may want a man with some consideration

(Consideration),

Determination (Determination)

I let conversation (How you Doing Baby?)

And you might want a man who just say straight I'm nasty (Straight I'm nasty)

From Tallahassee (It's a hate 5-0)

You're far to classy (far too classy)

So you might want a man whoâ€™s got a job (job), car (car), clothes (clothes), jewelry (jewelry)

Girl I just ain't fooling me to you (NO), to you (NO)

Think that I'm that easy shawty, it can't go that breezy shawty,

Find another dude cuz it ain't me

[Chorus: T-Pain]

What you in a rain, buy expensive thangs

It ain't me, babe, it ain't me, no, it ain't me,

No way, no how, uh uhh

It ain't me, babe, it ain't me, no, it ain't me,

I saw all your fingas take you out and make you famous

It ain't me, babe, it ain't me, no, it ain't me,

No way, no how, uh uhh

It ain't me, babe, it ain't me, no, it ain't me,

[Akon]

I know you thought you had a sugar daddy  
Plan to treat me like a her  
Take my money cuz I'm attractive  
Then kick me off to the curve  
Climb in fancy restaurants  
Eating expensive audorbs  
How I'm gonna let you get it all like that  
Without the big lip  
Girl that's my word.  
And if you wanna ride, then I just can't let it slide  
If you plan to get me for all I got, you could start by  
spending the night.

Otherwise let me see your head get small  
Less your head to make the head get tall  
If not gon get lost cuz that ain't me  
(If not gon get lost cuz that ain't me)

[Chorus: T-Pain]

What you in a rain, buy expensive thangs  
It ain't me, babe, it ain't me, no, it ain't me,  
No way, no how, uh uhh  
It ain't me, babe, it ain't me, no, it ain't me,  
I saw all your fingas take you out and make you famous  
It ain't me, babe, it ain't me, no, it ain't me,  
No way, no how, uh uhh  
It ain't me, babe, it ain't me, no, it ain't me,

[T.I.]

Hey,

Shawty look so good  
So she think I should  
Throw dough to her, like it ain't nothin' to it  
Get you whatever you like, I could,  
But all I be givin' you tonight is just wood  
Hood, to my heart I do it  
Huge and your attitude just blew it  
So rude that your mentality is distorting your reality  
Actually the more you speak make me think where I'd  
rather be  
I don't care if you hiding me, cuz I won't sponsor  
shopping sprees  
It's lots of freaks that I could be showing my generosity  
to  
Boo, stop it please, I ain't that guy,  
You ain't that fly  
Got your head up your ass that's why  
All you ask for is all I deny  
I do for you what I decide  
And I can buy all kinds of things

Go places spend all kinds of dough  
My kindness is no blindness though  
T-Pain, where you find this hoe  
Ha ha, I know what you want me to do

[Chorus: T-Pain]

What you in a rain, buy expensive thangs  
It ain't me, babe, it ain't me, no, it ain't me,  
No way, no how, uh uhh  
It ain't me, babe, it ain't me, no, it ain't me,  
I saw all your fingas take you out and make you famous  
It ain't me, babe, it ain't me, no, it ain't me,  
No way, no how, uh uhh  
It ain't me, babe, it ain't me, no, it ain't me,
