It's not you
Ohh ohh ohh ohh ohh ohh
T-Pain, Mr. Worldwide
Not you
Ohh ohh ohh ohh ohh ohh
It's not you
Ohh ohh ohh ohh ohh ohh
Oh oh oh
Not you

I know I be I be I be
All up in these clubs clubs
Playin' with these girls girls
Travelin' around the world
I know I be I be I be
Messin' with your feelin's
Money to the ceiling
It falls down to the floor

I know I'll be
Fist pump, fist pump
Fist pumpin' like a champ, yeah
The music got me amped, yeah
I'm catchin' leg cramps
I know I be I be
Messin' us up
And that's all that I do

So if we break up
I can tell you it's not you, not you
It's not you, not you it's me
And I know I be trippin' trippin'
But I need you to listen
It's not you, not you
It's not you, not you it's me
Even though I'm messin' up
I can't stay out of this club
It's not you!

Baby it's not you it's me
It's not you it's me
Baby it's not you it's me

It's not you it's me
Baby it's not you it's me
It's not you it's me
Baby it's not you it's me
It's the dog in me

I know we be we be
Kissin' all in public public
And girl I love it love it
Can't get enough of it
But girl lately lately
You been talkin' down down
Keep me with a frown frown
I can't keep you around

I know I be
Fist pump, fist pump
Fist pumpin' like a pro
Girl you already know
You've seen me do this before
I know I be messin' us up
But you can't tell me what to do

So if we break up
I can tell you it's not you, not you
It's not you, not you it's me
And I know I be trippin' trippin'
But I need you to listen
It's not you, not you
It's not you, not you it's me
Even though I'm messin' up
I can't stay out of this club
It's not you, not you
It's not you, not you it's me

And I know I be trippin' trippin'
But I need you to listen
It's not you, not you
It's not you, not you it's me
Even though I'm messin' up
I can't stay out of this club
It's not you

Baby it's not you it's me
It's not you it's me
Baby it's not you it's me
It's the dog in me
Baby it's not you it's me
It's not you it's me
Baby it's not you it's me
Woo

[Pitbull]
They slip, I grip
She dip, I dip
I hit, no text, no twitter
That girl's so bad
That thing so thick
And pain, you can bet I get her
Even the girls wanna hit her (all right)
So you know I'm gonna take one with her (for sho)
More for Voli, pour it like water, let's go
For sho fill the club like New Orleans
She this, she that, her ass so fat
And her kitty cat's down for a doggin'
Mira mamita, verdad que tu esta linda, rica y donita
Pero la verde que quiero tu amiguita
It's not you it's me I'm sorry, dale

So if we break up
I can tell you it's not you, not you
It's not you, not you it's me
And I know I be trippin' trippin'
But I need you to listen
It's not you, not you
It's not you, not you it's me
Even though I'm messin' up
I can't stay out of this club
It's not you, not you
It's not you, not you it's me

And I know I be trippin' trippin'
But I need you to listen
It's not you, not you
It's not you, not you it's me
Even though I'm messin' up
I can't stay out of this club
It's not you
