Yeah
Uh
uhem
keep going
yeah
they get me up in the morning
they give me reason to believe Im here
for somebody
for someone
they make me feel so joyous
happiness aint a word describe, what I feel
like when I try to give it up
sick and tired of all this stuff
they give me reason to
keep goin
and goin
when I feel that I should quit
I keep goin

I never knew this would happen
and if u knew bout my past you would see
why
Its a miracle
but u can see why im happy
nobody wished this for me
this was prayer
where would I be with out them
and when try to give it up
sick and tired of all this stuff
when I feel like its enough
I keep goin
they give me reason to keep goin
and goin
and goin
