i gotta start by thankin the lord, because
i dont wanna see no face more, than yours
cause you, gotta kinda persona that will not be
ignored, anymore
i gotchu, for sure, i gotchu, for sure
body's just the type i want against me, you with me
you're the only girl that fits me, you get me
feels like a love bug bit me
i gotta find you quickly cause i dont even know your
name

i'm hopin thatchu feel the same
i dont want you to think im insane
but you just keep on lookin my way
i aint sure on no game
cause i dont even know
girl i dont even know your name
girl i see you doing ya thing
butchu been on my mind all day
and you just keep on lookin my way
i aint sure on no game
cause i dont even know
girl i dont even know your name

i dont mean to bother her, its prolly cause
i know im not the first to try to holla but i gotta
look, she something so phenomenal but damn
i dont even know her name so lemme holla again like
aye, i been around the world quite a few before
but i never been around a girl like you before
the critique in ya physique is so beautiful
before i take off i need you to know
if you need a man, i can be ya boyfriend
i can be the type that ya ex been avoidin (avoidin)
and before i hand it over to pain girl
i gotta find you quickly cause i dont even know your
name

i'm hopin thatchu feel the same
i dont want you to think im insane
but you just keep on lookin my way
i aint sure on no game

cause i dont even know
girl i dont even know your name
girl i see you doing ya thing
butchu been on my mind all day
and you just keep on lookin my way
i aint sure on no game
cause i dont even know
girl i dont even know your name
