T-Pain Ringleader Man Lyrics

(Verse 1)

Ohhhhh Ohhhh Ohhhh

Heyy

We gon have a ripping good time

Just hit rewind and you can see im far too crazy

My rhythms and rhymes keep niggas in line

Cause now is not the time to be lazy

Im the ringleader man a cane in my hand

And an iced out top hat on my head

Aint you tired of that wackness

Sick of this wack shit

Wouldn't you like some of me instead

(Chorus)

The ringleader man

This is my circus im working

I can flip this whole game with one hand

The ringleader man

I know its a fact that you rather

Just have some of me instead

The ringleader man (ha)

The ringleader man (haha heyyyy)

(Verse 2)

This industry is my circus

I know that it just hurts just sit back

And take pain like i used to

And im trying to stop cursing but i dont give a f\*\*k

Im going to curse you with lyrical voodoo

Im the ringleader man

You cant understand the shit that comes out of my head

But you like all that wackness

Loving all that wack shit i rather just say f\*\*k you instead

(Chorus)

The ringleader man

This is my circus im working

I can flip this whole game with one hand

The ringleader man

I know its a fact that you rather  
Just have some of me instead  
The ringleader man (ha)  
The ringleader man (haha)
