Look at her go, yeah I see know what she doing
Wobble-dy wobble-dy drop, drop it like it's hot

Look at her go, do it girl

Bang bang, baby I know that you want some
Walk up in the club, you already on one
Get rid of your friends they aint no

She walked, Wobbling Wobbling
Drop, drop it like it's hot
That yellow nevo got me Wobbling back to the parking

She steadypopping, she poppin, she said that she don't
wanna stop
I got that chopper, that chopper, just case your nigga
wanna block

[Hook]
Look at her go, yeah I see know what she doing

Look at her go, yeah I see know what she doing
Wobble-dy wobble-dy drop, drop it like it's hot

Look at her go, do it girl
Go go, do it girl
Go go, do it girl
She walked, Wobbling Wobbling
Drop, drop it like it's hot

[Chris Brown]
Damn, look at her go on it
On the floor, on it
She just dropped that on the flo'
Is she a pro,
Oh baby I've been looking for you for a while now
And I ain't playing with you, baby pull them draws down
Oooh she a freak and she know it
I got her right where I want her now
Girl wobbly wobbly drop
Drop it like it's hot
Wobbly wobbly to the ground
I know you hear that bang bang
That's the bass in my Chevrolet
Gang bang, that's with me but we here to celebrate
Super red and me and teddy in the Chevy with these
hoes
Just look at her go

[Hook]
Look at her go, yeah I see know what she doing
Look at her go, yeah I see know what she doing
Wobble-dy wobble-dy drop, drop it like it's hot
Yellow nevo Wobbling back to the parking lot

Look at her go, do it girl
Go go, do it girl
Go go, do it girl
She wo, Wobbling Wobbling
Drop, drop it like it's hot
