Ima set the cameras up, u gon light the candles up.

Get ready for my stamina, Yeahh (Let's Make a Movie)

I'm ur director, wanna see u sweat girl,

Quiet on the set girl, yeahh (Let's Make a Movie)

U be my actress, lay down on the mattress,

This is a Duval County Production,

Sexual Eruption, Yeahh (Let's Make a Movie)

[Verse 1 - Young Cash]

She a freak, and I know it but she stay classy.

Yeah I eat pussy, I'm from florida girl we all nasty.

I know what I'm doing so ain't no need for practice girl.

u so fine, u know what? u should be an actress girl.

I ain't talkin like sex and the city or law and order.

I'm talkin in my crib, me, u and the camcorder.

1st she was kinda scared, saying "boy u so crazy"

next thing u know she dirty dancing like Patrick Swayze.

She got me so excited, and now I'm really hard.

U can be Halle Barry, and Ill be Billy Bob.

I'm an animal ain't no soft shit, I hope u ready.

Cause Ima give it to you rough like DMX in Belly She

climbin up the wall screamin I cant mess with u. I forgot
to tell shawty that I was on too.

On top was good, from the back felt great.

And the best part is we got it all on tape.

[Chorus]

[Verse 2 - Young Cash]

Scene 2 I'm dressed up like a police man.

Shawty broke the law, I slammed the cuffs on her

hands.
Threw her in the bed then I read her her rights.
She can remain silent but she screamed all night.
I know so many positions, come here I bout to learn ya.
She says she want me to take it like Ike and Tina
Turner.
That really ain't my thang but I went through with it.
Cause really in the end whats love got to do with it.
Pamela, Tommy Lee, Paris Hilton, E-v-e.
Ray Jay and Kim Kardashian and now its u and me.
We gon be famous baby, we gon drive mercedes baby.
hold up we can't leave that, my old lady gon go crazy
baby.
so Ima keep the tapes and make sure that they safe
and sound.
And no I'm not gonna show my dawgs when u not
around.
Soon as she left I grabbed my phone and called T-Pain.
I said come through I gotta show u this new movie
mayn.

[Chorus]
