Shorty, yeah yeah yeah

Hello, I was thinking bout you  
What you're doing, ain't it rain and nothing  
Yeah 'cause I'm on the other side of town and I was  
Thinking out to get no ride on down to comings  
See you, girl I know it's been two weeks  
And I got you feeling like you've been knew me  
Uh that's what the truth do  
Don't try to put up them walls I see through you  
And I can see that you paper before  
But girl that wasn't me, so if we can take it slow  
Gotta get you from my times up  
Talk to me baby

Chorus:

Come and get your mind f\*cked alright, alright  
I'll make you feel you feel like you want something  
good  
Got what you want, what you need  
Don't make me back baby please, come and get your  
mind f\*cked  
All night, girl I wish them other niggas walk  
Tryin to be like me, take a chance and you'll see  
Baby you gonna get your mind f\*cked

I'm just f\*cking with you,  
Hope for sure you know I wanna do something with you  
First I get up in that rain and remain the same  
And though we play this freaky game say my name t-  
pain t-pain

Yeah yeah I'm bout to out your fucking knees in the air  
But if I do it now, how would feel about me,  
Would you kick me out, or get me that body  
'Cause I can see that you've been hurt before  
Girl that wasn't me so we can take it slow  
I can get you from my time's up  
Fuck with me baby, come and get your mind

2 x chorus:

Come and get your mind f\*cked alright, alright  
I'll make you feel you feel like you want something  
good  
Got what you want, what you need  
Don't make me back baby please, come and get your  
mind f\*cked  
All night, girl I wish them other niggas walk  
Tryin to be like me, take a chance and you'll see  
Baby you gonna get your mind f\*cked
