Yeah, monster man!
Yeah, hey!
... and tigers and... oh I've been
Flying this entire affair, cause I'm so
Undercover, you never met a brother
I was also a monster, a beast, believe!
I ain't breaking things little cousin
No truths in my neck, but I got truths all day
I'm riding through the city, I'm looking for some brain
You can get it if you want it, feel me man!

Chorus:

It's in my monster mash, oh monster mash
My monster mash!
Yeah, I... so you can see
Ding dong, ain't got shit on me, yeah, yeah, hey!

I've been a werewolf, a living dead
But I won't reach your girl as she giving head
The loch ness, godzilla,
She screaming in my bed, but you can not hear her
She terrified,... she wanna run,
But that new love got her too sedated
So you could hate it if you want to
Call the police, but I tell you that they won't catch me

Chorus:

It's in my monster mash, oh monster mash
My monster mash!
Yeah, I... so you can see
Ding dong, ain't got shit on me, yeah, yeah, hey!

Take it to the crib, and once get rehearsed
Down with the business, get life...
What's worth came from a game and your verse so
real...
So take it off... I'mma put on my coon
Take all my love, I'mma take you to school
I'm a monster... youngster
Straight as a...
I made my way out the dumpster

It's not halloween, but I'm doing my best impression
No beat, no way to me
No bite and leave impressions with your thing
And I bet you love on things that change like
Three... then who I'll be?
... I got my hands little hoe, don't put it to the flow
Thought it was a joke, that it was a joke
I'll put that monster mesh down your pants
And I bet you don't know my name!

Chorus:

It's in my monster mash, oh monster mash
My monster mash!
Yeah, I... so you can see
Ding dong, ain't got shit on me, yeah, yeah, hey!
