[verse 2] - J.Carr

Mo money

Mo problems

Mo haters keep me motivated (yes)
You so emotional dawg gone & get your weight up
Abuse a track like when Im beatin the odds
I feel the Heat when I be ballin I relate to Lebron

(swish)
Yea Just set a date and its on (swish)
Already born to be a king
Im just working on the kong (ha ha)
Got Flava Flav tints in my new shades
Non Stop stackin and I double up on TWOs days
Man I can get it
80 seconds in a minute
80 minutes in an hour
40 hours in a day
8 days inside a week
Im motivated in the hunt
Steady goin for the gold
5 weeks up in the month
Im tryna eat (why)
cuz Im a hog (yes)
Stick of eatin scraps off the table with my dogs
This the carr
Never breaking barely stop to catch my breath
Grindin harder than a skater coming down a flight of
once again

[chorus] - T-Pain
Ima tryna eat
You tryna sleep
If you a dog
Then Ima beast
And the beat goes
Boom ba ba boom ha haaa
I know you hate it
Boom ba ba boom ha haaa
Here go my motivation bruh
Im with my dogs
Fuck us, naw nigga fuck ya'll and the beat goes
Boom ba ba boom ha haaa
If you know they hate it
Boom ba ba boom ha haaa
Let me get you motivated
