Ooh, ooh-ooh, ooh-ooh, ooh-ooh  
i know whatcha like  
ooh, ooh-ooh, ooh-ooh, convict, ooh-ooh

I just got off of work, its 1:30  
Im kinda hungry cause i know my girl lonely  
Goin' back to my crib, its kinda early,  
suprise my girl because i know she waitin'  
I open the front door, I hear moanin'  
For real somebody upp'in' to kill somebody  
and I get closer, I hear groanin'  
Bust in the door and see my girl with a chick  
Thats when I know that..

My girl got a girlfriend  
I just found out, but its aight, long as I can be with her  
too  
My girl got a girlfriend  
It really is not a problem cause imma make it do what it  
do  
Cause havin' 2 chicks is better than no chicks, I'd rather  
jus join in,  
Keep my girl and keep the other one too  
My girl got a girlfriend  
It really is not a problem cause imma make it do what it  
do girl

Verse 2:

You know you wrong shawty, could have told me,  
that you was sleepin' with a chick  
How the hell you gon n leavin' me out  
I thought we ws better shawty, You so stingy  
While you was kissin' on it, I could be behind her driven  
diggin' her out  
Probably thought I'd be mad girl, But im so cool wit it,  
both of yall in my bed watch what I do to it  
Girl imma fool with it, Imma fool with it  
So slide over for me shawty, Let me show you how a  
player get down  
Cause girl im bout to give you both the business,  
and beat it up until you say you finished

Then i do the other one, gotta bust it like a gun, so I  
dont really care that
