I feel like I can fly as a kite, if I can fly as a kite then I'm gone (I'm gone, I'm gone) I feel like I can fly as a bird, if I fly as a bird I'm flying home

But first you gotta freeze then pose, freeze then pose, freeze, pose, freeze, pose, freeze, freeze, freeze, freeze, take your clothes off, get naked on the dance floor (the dance floor), come here take your shoes off then you can come and dance some more (dance some more), I want you to do it, do it, do it, do it, do it, do it, do it, now do your thang, do it, do it, do it, do it, do it, do it, do it, not before you freeze and pose, freeze and pose, freeze, pose, freeze, pose, freeze, freeze, freeze, freeze, do yo thang shawty, do what you wanna do (do what you wanna do), you can dance like it's nobody looking at you (nobody looking at you)
