[T-Pain Talkin']

Haha, I get it down on the dance floor
Watch this, hey
You don't even know girl
Wooh, Wooah,
Heh, Come Here

[Verse 1: T-Pain]

You know what I do (do)
If you can do it too (too)
Then that's just something that makes me more
attracted to you
And I, and I
Wanna see you break it down
For me (ha)
Yes, we in this private (party)
Girl I like your body (body)
But can you tic, tic, tic, tic, tic, tic, pop, lock and drop it
Cause I, and I wanna see you break it down
For me
Watch this

[Hook: T-Pain]

Girl I've been waitin all night to see you dance like me
And you gonna sweat your outfit out, trying to dance
like me
(Now let me see), Ah ah ah, now freeze, like me, oooh
Shawt-a-y

[Verse 2: T-Pain]

Girl I want a battle
Meet me downstairs
Bring your dancing shoes and something to tie you hair
Cause I, cause I'm about to break it down, on you
I see you with you friends
You dont wanna get embarrassed
I know you see my bling, bling
Check out the carrots
Cause I, I'm bout to break it down on you

[Hook: Chris Brown]

Girl I've been waitin all night to see you dance like me

And you gonna sweat your outfit out trying to dance
like me
(Now let me see), Ah ah ah, now freeze, like me oooh

[Verse 3: Chris Brown (T-Pain)]

Girl lets get it poppin (crackin)
Tell me how you feel (feel)
Lets get up on this floor and do this thing for real
(wooh)
Cause we (we), you and me (me), can really break it
down, together
Watch me slide on ya (on ya)
Watch me ride on ya (on ya)
You ain't gotta say it
You think I'm fly, don't cha
Cause we (we), you and me(me), can really break it
down oh oh oh

[Hook: Chris Brown]

Girl I've been waitin all night to see you dance like me
And you gonna sweat your outfit out, trying to dance
like me
(Now let me see), Ah ah ah, now freeze, like me, oooh

[Chris Brown Talking]

Yeah Lamborghini breezy

And now my ladies pop, poppin
Drop droppin
1,2,3,4, Freeze , Ha

[Hook: T-Pain]

Girl I've been waitin all night to see you dance like me
