Jump out your car in the middle of the street  
Open up your truck, let the base beat  
Go ahead, go ahead  
You gotta walk up in the club bare-footed  
I like that booty, you know where to put it  
Go ahead, go ahead  
Mama you look so professional I'm followin' you  
sweating you  
I can't believe I'm doing what I'm doing, what is wrong  
with my head, go ahead  
Cause baby I like how you're working it, I'm watching  
you, you're twerking it  
I'm trying get you out of this club and get you off in my  
bed

Now let me see that booty work, booty work, booty boo  
boo booty work  
Booty work, booty work, boo boo boo booty work  
Go ahead, (left cheek, right side, double cheek, do it)

Now mama I can see that thong on you, the DJ play that  
song for you  
I'm trying to drive my stick shift all over them curves,  
say word  
If you keep playing with my feelings we're gonna get it,  
get it, get it, girl  
I represent the nappy boy clique, so I know that you  
heard (ohhoh), say word
