Huh, yeah

I've been in the tree house for seven hours  
Lookin' at your house girl  
Ever since you kick me out girl  
That ain't me, but who the fuck is he? Yeah

I've been watchin y'all kissin' and huggin'  
Lickin' your belly button  
Touchin' and rubbin' but this nigga look just like me  
He got dreads and gold teeth, yeah

Now I know we just broke up  
Week and a half ago  
How was I to remember the anniversary  
Baby I'm sorry, yeah but you know

I can't leave y'all alone tonight  
Ain't nothin' goin' on tonight  
'Cause I'm the phantom in your opera, yeah  
I'm the phantom in your opera, yeah

Now I can't leave y'all alone tonight  
All the lights gonna be on tonight  
Oh, I'm the phantom in your opera, yeah  
He won't get none, you won't either  
Till I get mine, yeah, yeah

I'ma wait until y'all get real into it  
Just about to do it, the mood is set  
And I'ma mess y'all up  
I bet that sucks to be him

I'ma call and hang up  
Call again and hang up  
Hello, do you like scary movies?  
Then I'ma do it again  
Am I scarin' your friend? Yeah

Yeah, let's play a game  
Yeah, I'll be Teddy Pain  
Yeah, you'll try to do your thang

Yeah, and I'ma block that cock  
And I'ma make y'all stop  
Yeah, and you know

I can't leave y'all alone tonight  
Ain't nothin' goin' on tonight  
'Cause I'm the phantom in your opera, yeah  
I'm the phantom in your opera, yeah

Now I can't leave y'all alone tonight  
All the lights gonna be on tonight  
Oh, I'm the phantom in your opera, yeah  
He won't get none, you won't either  
Till I get mine, yeah

I can't leave y'all alone tonight  
Ain't nothin' goin' on tonight  
'Cause I'm the phantom in your opera, yeah  
I'm the phantom in your opera, yeah

Now I can't leave y'all alone tonight  
All the lights gonna be on tonight  
Oh, I'm the phantom in your opera, yeah  
He won't get none, you won't either  
Till I get mine
