I see you a red on my show
She can't be a groupie girl
She didn't thought I love my merchandise
Then ball all of my shirt
She pull me the sign of hoes girl
But I just want them skirt aha
She won't let me catch my breath
And she stay there when the people laugh
She want me to do it I... , do it dance for her
Even though the show is over, I got sober
She wanna come and get for the rock en rollah

Hook:

We don't need hate on whacks, rocka en rollah
Two o'clocks go state to states, rocka en rollah
Now you got since, you got all that ass rocka en rollah
I gotta get you by hard of ground,
Rocka en rollah
Get rid of rocka en rollah

I told em taking on my boss
She says she never wants to leave
Now we're passing up hotel rooms
Then hear the stripper club
And I hope that I can't tell you
That we must be in love
I take the road on my tors
And we are getting just a little bit closer
Though every night I do it I core it
And do the chance for her
Every time my show is over do we get sober
She gotta come and get with rocka en rollah

Hook:

We don't need hate on whacks, rocka en rollah
Two o'clocks go state to states, rocka en rollah
Now you got since, you got all that ass rocka en rollah
I gotta get you by hard of ground,
Rocka en rollah
Get rid of rocka en rollah

Rocka en rollah
Get rid of rocka en rollah
