Yeah, yeah, yeah, yeah, yeah

Growin' up wasn't easy for me, for my momma
For my daddy, life jus wasn't happy at all
Started out when I was 8 years old
And it blew up right behind me, God just couldn't find
me no way

The way I feel, I feel, jus can't compare, compare
Don't wanna be here, God take me there
'Cuz now I'm livin' on the road, goin' to do show after
show
My mind free and my eyes closed I go back to Ridge
Road

R I D to the G to the E R O A D
This 850 life is all I know, think I'll go back to Ridge
Road
R I D to the G to the E R O A D
Big brother Sheed and Nathaniel, think I'll go back to
Ridge Road

Slowin' down wasn't even an option so I chose to speed
it up
Yes I needed love always, you would hold me down
When things got poppin', had my back in situations
Without hesitations fa sho

The way you go, you go, is the way you know
You know, so I guess I'll go to the studio
And even if I'm on the road, goin' to do show after
show
My mind free and my eyes closed I go back to Ridge
Road

R I D to the G to the E R O A D
This 850 life is all I know, think I'll go back to Ridge
Road
R I D to the G to the E R O A D
Brother Nadi Black and dealer 0, think I'll go back to
Ridge Road

Then I'm gone and you say you miss me
Like I never paid attention, never tried to listen to you
But now I'm home and you wanna diss me
Sayin' I don't have no respect, a Leon County reject no
way

The way you go, you go, is the way you know
You know so I guess I'll go to the studio
'Cuz even if I'm on the road, goin' to do show after
show
My mind free and my eyes closed I go back to Ridge
Road

R I D to the G to the E R O A D
This 850 life is all I know, guess I'll go back to Ridge
Road
R I D to the G to the E R O A D
Can't forget about my homeboi doe, guess I'll go back
to Ridge Road
