T-Pain Ringleader Man Lyrics

(Verse 1)

Ohhhhh Ohhhh Ohhhh

Heyy

We gon have a ripping good time
Just hit rewind and you can see im far too crazy
My rhythms and rhymes keep niggas in line
Cause now is not the time to be lazy
Im the ringleader man a cane in my hand
And an iced out top hat on my head
Aint you tired of that wackness
Sick of this wack shit
Wouldn't you like some of me instead

(Chorus)

The ringleader man
This is my circus im working
I can flip this whole game with one hand
The ringleader man
I know its a fact that you rather
Just have some of me instead
The ringleader man (ha)
The ringleader man (haha heyyyy)

(Verse 2)

This industry is my circus
I know that it just hurts just sit back
And take pain like i used to
And im trying to stop cursing but i dont give a fuck
Im going to curse you with lyrical voodoo
Im the ringleader man
You cant understand the shit that comes out of my
head
But you like all that wackness
Loving all that wack shit i rather just say fuck you
instead

(Chorus)

The ringleader man
This is my circus im working
I can flip this whole game with one hand

The ringleader man
I know its a fact that you rather
Just have some of me instead
The ringleader man (ha)
The ringleader man (haha)
