### "Ringleader Man"

Oh Oh Oh  
Hey, we gonna have a ripping good time  
Just hit rewind  
And you can see I'm far too crazy

My rhythms and rhymes  
Keep niggas in line  
Cause now is not the time to be lazy

I'm the ringleader man  
A cane in my hand  
And an iced out top hat on my head.  
Ain't you tired of that wackiness  
Sick of this whack shit  
Wouldn't you like some of me instead  
The ringleader man  
This is my circus I'm working  
I can flip this whole thang with one hand  
The ringleader man  
I know  
It's the fact that you rather just have some of me  
instead  
The ringleader man

Huh

The ringleader man

Huh

Hey, this industry is my circus  
I know that it hurts  
Just sit back and take pain like i use to  
And I'm try to stop cursing  
But i don't give a fuck  
I'm gonna curse u with lyrical voodoo

I'm the ringleader man  
You can't understand  
The shit that comes out my head

But you like all that wackiness  
Loving all that whack shit  
I rather say fuck you instead

The ringleader man  
This is my circus I'm working  
I can flip this whole thang with one hand  
The ringleader man  
I know  
It's the fact that you rather just have some of me  
instead  
The ringleader man

Huh

The ringleader man

Huh
