My boy carter now leader of the session
Black gs pop it if we need an intervention
Murder all these little song boys in succession
Nig*as aint eatin..it's a kovict procession
Gettin paid to shut down the show is my profession
F*ck keepin it easy i am not above aggression
Approach if you want but use your own discretion
When i crush these rappas careers they get left in a
depression
You better stand clear when the mike's in my
possession
And i bust every year cuz that is my obsession

Sal t that t-pain call it out the expression
Black g's fire like a blacksmith from westside
I'm done mon

Bustas don't bother me nooo
Unless i bust a top for the 8-5-0 (oh oh oh oh oh oh)
Me say go! me say stop! pop! rahh! rahh! rahh!
Pop a top for the 8-5-0

Pass it to the ear with a mere pom pom!
Policeman they fear we don't keer pom pom!
Pop it off and bust it open here pom pom!
Let them hear pom pom! let them hear pom pom! let
